Motorcycle Specials First-year Service & Repair. The Burgman has the dual-ring, fly-by-wire handlebars and clip-on-type handlebar-end control lever (for the clutch) as opposed to the hanging type found on most smaller motorcycles. Suzuki Burgman 675 L The Burgman 675L is a medium sized motorcycle that takes the smaller Burgman models and gives it a bit more power. Suzuki Burgman 650 Pratyakshya - Burgman x 90cc - Vs. NS125 (Wikipedia page) A note on the Burgman(S) 650: For all intents and purposes, the Burgman 650 may be regarded as a child of the NS-250, NS-150, and NS-125: it uses the same, well, 650cc engine, which generates a claimed 47 kW (63 hp), retains the same-axis engine, transmission and final drive. However, while the NS-series are all seated on a rear-engine chassis, and the NS-250 has a single-seat platform, the Burgman 650 is a fully faired, two-seater. Suzuki Burgman 650 (Burgman 675L) Suzuki Burgman 650 - Full cycle set up!. Park City, United States 2. Burgman \* Service \* Service. We've compiled a list of 14 Halloween facts to get your day off to a great start. Halloween Facts 1. Halloween is not an American holiday. It originated in Europe, mostly in Scotland. In the 18th century, a Scottish, Flemish, and Irish immigrant founded the first Halloween celebration in North America. 2. The first mass celebration of Halloween in North America was held in 1846 in New York City. When the holiday started expanding across America, people noticed that there were differences in the way Halloween was celebrated from city to city. After searching for a common holiday that these communities could celebrate together, they started calling their celebration of Halloween. 3. Some Canadians call Halloween "Noel," but that's a different holiday. It's not even a part of the same time period. 4. Mentioned in the Bible, Halloween is mentioned in the Book of Exodus as the God willing to kill all the firstborns on the Jewish harvest festival of "Succot." 5. Most people remember Halloween for the creepy masks and scary stories they grew up hearing about. But, in 2011, the Food and Drug Administration (FDA) acknowledged that some of these Halloween products can contain the toxin microcystin. 6. Costumes are a part of Halloween that dates back to ancient religions. 7. A costume party is the most common type of Halloween party. 8. The first Halloween parade in the United States happened in 1938 in Philadelphia. 9. In the United States, Halloween is the only holiday that is legal for retail businesses to sell costumes from Sept. 1-Nov. 1. 10. The spread of Halloween in North America was dramatically cut in 19th century. Because of the f678ea9f9e
